

**VIG Re, the reinsurance company of Vienna Insurance Group**, is a dynamic company with international operations mainly in Continental Europe. We are looking for a new team member who will accompany us to the next step in our strategic growth.

We work hard, but we also like to have fun. Our company culture is quite exceptional for the Czech insurance market; please check out our website [www.vig-re.com](http://www.vig-re.com) for more information about us.

## **SENIOR CLAIMS SPECIALIST**

Your main responsibility in this role will be to investigate, analyse, report and manage claims. Especially you need to validate that the claim is covered, you will also communicate with clients, brokers and reinsurers, analyse large claims and set appropriate claims reserves. In addition, you ensure the setup of an efficient claims management process while developing in cooperation with the Information Technology department a state of the art claims reporting system.

### **Your Main Tasks**

- Investigate, evaluate and manage settlement of large and complex claims
- Cooperate with claims managers of insurance companies, brokers, reinsurers and loss adjusters
- Responsible for the proposal of adjustment of claims reserves including setting of additional case reserves
- Foster collaboration and communication within the Company
- Provide guidance to team members and supports them in their professional development
- Build up network within and outside of VIG Group

### **Our Expectation**

- 5 years related experience in reinsurance claims management
- Professional experience in reinsurance is an advantage
- Diligent, organized and thorough
- Strong communicator, team player
- Fluent in English (minimum B2 level)
- Language skills in other European languages is an advantage

### **We Offer**

- An attractive remuneration and benefits package
- Work in international team in the heart of Prague, Czech Republic
- Opportunity for professional development in one of the leading insurance groups in CEE
- The opportunity to contribute essentially to the overall company steering and development
